Ag King is an Australian owned and operated business which sells and services a range of quality farming equipment. Ag King specialises in tractors and their implements and pride ourselves on delivering high quality products at competitive prices. Based in the Lockyer valley near Brisbane in Queensland, we sell direct to public but can arrange for delivery Australia Wide. With many years of experience in the agricultural equipment business our staff thrive on providing our customers with the best possible levels of service.

We have a wide range of products available including Slashers, Post Hole Diggers, Buckets Scoops, Carry-Alls, Grader Blades, Rippers, Cultivators, Rotary Tillers, and many other 3 point linkage and front end loader implements. We also stock a large range of spare parts for all the equipment we supply.

AG King holds parts in Australia for all the tractors and implements we sell. Not only do we supply parts for our range of Chinese tractors but we also supply parts for most of the Chinese brands sold in Australia. We are committed to excellent after sales service and support.

Although we are backed by huge factories we know that when things go wrong you want to talk to someone who is local and can help with service.

Our warehouse is located in the Lockyer Valley, on the Warrego Highway.

If you're after a spare part or consumables for one of our Tractors or Implements, give us a call or drop in.

Parts and Consumables for our Tractors and Implements are kept in our warehouse at Hatton Vale and shipped Australia Wide
